

# ANGEL'S ESTATE S.A.

## SELECTION BULGARIA

Producer: "ANGEL'S ESTATE" S.A.  
Region: Thracian valley  
Name: **DENE B ICE SWAN**  
Grape Variety in % Cabernet sauvignon 100 %

Vintage: 2014  
Alcohol %: 12%  
Residual sugar, g/l: 83.3  
Total acidity, g/l: 6.1  
Total dry extract, g/l: 106.3  
Barrel maturation period: 3 years  
Barrels: 225 l  
Aging potential: Till 2028  
10 years at T 13 - 18 'C  
Humidity not exceeding 85 %

### Climate and soils:

Moderate continental climate with sunshine duration of more than 3000 hours during the year and more than 110 sunny days. No freezing temperatures and frosts in spring. The comparatively high temperatures during the year and the suitable forest and sandy-clay soils are very beneficial for the red wine grape varieties.

### Vinification:

Grapes are picked at the end of November. The cooled, well-ripened grapes pass through a vibratory table for manual selection. The destemmed grapes come into a basket press where the grapes are pressed whole. Cold enzyme clarification and fermentation with a culture of wine yeast. Aging in oak barrels with controlled temperature and humidity.

### Tasting characteristics:

Sweet red wine, aged 3 years in oak barrels. Conquers with delicate aromas of strawberry jam, figs and baked prunes. The taste is sweet, soft, harmonious and full of shades of caramel and cherry. The end has a pleasant freshness and a long memory of caramel, vanilla and cherry jam.
